Spring Semester (January 28th to June 2nd)

CheerONE is a great way for you to introduce your athlete to all that cheerleading has to offer. CheerONE combines elements of cheerleading that are shared between traditional school cheerleading, all-star cheerleading, and international cheerleading into one fun and exciting class. It is largely based on the international model for cheerleading. Your athlete will learn Stunts, Tumbling, Jumps, Dance, Motions, as well as Cheers and Sidelines while they put it all together in an exciting high energy choreographed routine. These six core elements are shared across all of modern cheerleading. You also will learn about team sports as you work with your class on the routine. Your athlete will have the opportunity to showcase the skills and choreography they learned for you and all their friends at a routine performance at the end of the session!

Ages will range from 5 to 15 and classes will be split up appropriately during class times as numbers permit.

During the CheerONE your team of classmates will work to put together a performance and will culminate your class by performing at the end of the session! You will need a good attitude, a willingness to learn and white athletic shoes!

Important Session Dates:

USA Nationals Week No Class	March 11th to 18th	Summit Week No Class	May 6th to 12th
Memorial Day No Class	May 27th	Bring -A - Friend Week	May 20th to 24th
